Tam-B

Diagram illustrating the layout of a drum kit. It shows three circular drums: 'Tam-B' (top left), 'FloorTom' (bottom right), and 'Tom' (bottom center). Arrows indicate the placement of microphones: a green arrow labeled '3' points to the top of 'Tam-B', an orange arrow labeled '1' points to the center of 'Tam-B', and another orange arrow labeled '3' points to the center of 'FloorTom'. Below these, a 'Snare Tom' is shown with a microphone positioned above it. To the right of the 'Snare Tom' diagram, there are two sets of vertical bars representing microphones, with double-headed arrows between them and the text '10dB 이상' (10dB or more) above.

A photograph of a drum kit setup. A snare drum and two tom drums are visible, with microphones positioned around them. The setup is on a blue cloth-covered stand.

위 사진의 스네어와 탐의 마이킹은 매우 교과서 적인 모습을 보여  
은 사진 상으로 보이지 않지만, 이불을 이용하여 킥과 마이크를  
용한 것으로 보입니다.

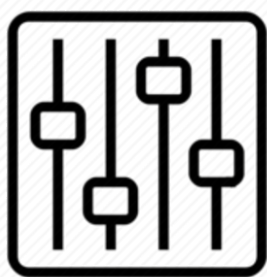

**Important:** 드러머들은 자기가 어딜 연주하는지 모릅니다  
를 수도 있습니다.  
“지금 어디야?”  
길 잃은 드러머들을 위해 녹음이라도 잘 받아주시기 바랍니다
