CV

Control Voltage,

The diagram illustrates the historical and linguistic evolution of the Korean consonant '가' (ga). It features a central vertical timeline with various historical figures and dates, and a horizontal timeline at the top showing the progression of linguistic forms. The forms include 'CV', 'VCO', and '가' (ga), with some forms being highlighted in blue. The diagram also includes a large, stylized '가' (ga) at the bottom right, and a large, stylized 'CV' at the top right. The diagram is a complex web of connections, with lines linking the historical figures and dates to the linguistic forms, and lines linking the linguistic forms to each other. The diagram is a visual representation of the historical and linguistic development of the Korean consonant '가' (ga).
