AudioTechnica AT2020

Billie's vocals for 'Ocean Eyes' were recorded with the 2020, which sounds great. It's not quite as good as the Neumann, but I have never found a microphone that I like more than the 2020 that's less expensive than the Neumann. The 2020 is a really good starter microphone.

(Finneas O'Connell (Billie's brother, producer & co-writer) in Sound On Sound magazine)
